LIHUES TAKE FIRST GAME FROM M'BRYDE CHAMPS

Both Kahunas went wrong in the baseball game at Lihue park Sunday afternoon. The Lihue Kahuna had predicted that the contest would end 3 to 8 in favor of the home team; while the McBryde Kahuna had figured it out 2 to 6 in favor of the visitors. It goes to show that even Kahunas do not always count on "balloon acts" and other items that shift the tide of baseball aspirations.

Lihue had much the best of the playing to the fourth inning when the homers went square into the air and let the visitors in for six straight runs. After that, however, the game tightened to the last half of the ninth innings when the Lihues made a desperate drive and won the game, the score being 9 to 8.

A very big Lihue audience witnessed the game, although automobile row was a trifle light.

The game progressed as follows: For the McBrydes, Gabriel singled and made second on bad error of Mekanani. Takeuchi flew out to J. Fernandez, and Spalding died, Mekanani to first. Costa hit safe, and Gabriel scored. Lorenzo fanned. Lihues, Akana out, Takeuchi to first. J. Fernandez fanned and E. Lovell tapped out to Takeuchi.

At the beginning of the second innings, J. Malina arrived on first base, and the substitute, Tomo, was retired. Perreira failed at first. Akana hit safe, and on overthrow, pitcher to first, made second. Pacheco out, third to first. Akana flew out to J. Fernandez. Lihues up, M. Fernandez and C. Kuhlmann singled, and on passed ball Fernandez scored. J. Malina hit for one bag. H. Malina flew out to Spalding, and Mekanani fanned. A Kuhlmann got first on error of Perreira, and C. Kuhlman and Malina scored. Ahana fanned.

In the third innings, Gabriel was retired, Mekanani to Malina, Takeuchi failed at first. Spalding safe on error of Lovell. Costa reached first on account of C. Kuhlmann and J. Fernandez colliding in the field. Lorenzo flew out to A. Kuhlmann. Lihues to bat. J. Fernandez fanned. Lovell singled but was thrown out at second. M. Fernandez hit safe and stole around to third. The ball was thrown to third, and Fernandez was declared out by the base umpire. The umpire was in error; the man was not properly out.

In the fourth innings Perreira fanned, Akana singled and Pacheco foul tipped to catcher. Akana was struck by pitcher, and Gabriel got first on error of catcher. On passed ball by catcher Akana scored. Takeuchi singled scoring. Aka. Spalding reached first on error of I. Malina, and in a mix-up and some wild throwing, Gabriel and Takeuchi tallied. Costa singled and Spalding scored, and in another mix-up of the Lihues, Costa stole home. Lorenzo struck for one sack, but Perreira retired the side at first. Lihues up, C. Kuhlmann was retired. Spalding to Lorenzo. J. Malina singled and on a swift drive by H. Malina for one bag, scored. H. Malina ran over second and was thrown out. Mekanani fanned.

In the fifth innings Akana and Pacheco fanned and Aka flew out to M. Fernandez. Lihues to bat, A. Kuhlman fanned and Ahana died, pitcher to first. J. Fernandez fanned.

In the sixth innings, Gabriel was retired, Mekanani to first, and Takeuchi failed at first. Spalding walked, but Costa fouled to catcher. Lihues to bat, Lovell singled, and M. Fernandez failed at first. On a bad throw catcher to Pacheco, Lovell scored. C. Kuhlmann fanned. J. Malina struck for two bags, but H. Malina retired the side at first.

In the seventh innings, Lorenzo and Perreira fanned. Akana made first on error of Mekanani. Pacheco hit to third for one bag, and on bad error of M. Fernandez, on third, in throwing to first in place of holding the ball against the leading runner, Akana had an unexpected and easy romp home. Pacheco was thrown out rather neatly by M. Fernandez at third. At this point the McBrydes sent Aka to right field and put Akana in the box. Mekanani walked. A. Kuhlhit safe but facilitated throwing Mekanani out at second. Kuhlmann tried to steal second and was retired. Ahana fanned.

Aka opened the eighth, and was retired. M. Fernandez to first. Gabriel fanned. Takeuchi walked but was thrown out in a try for second. Lihues to bat, J. Fernandez flew out to pitcher, E. Lovell to Costa and M. Fernandez to Aka.

Then came the final. Spalding reached first on error of Mekanani, followed by Costa on error of J. Malina. Lorenzo flew out to A. Kuhlmann and in a double play Spalding was retired at second. Perreira died at first. Lihues up, C. Kuhlmann singled, while J. Malina struck for two bags. H. Malina followed with a two bagger, and Kuhlmann and J. Malina tallied. Mekanani flew out to Costa. A. Kuhlman let drive for two bags, and H. Malina tallied. Ahana flew out to Costa. J. Fernandez singled and on overthrow by Spalding to the plate, A. Kuhlman rounded home, deciding the contest.

The score by innings was as follows:

	1	2	3	4	5	6	7	8	9	Total
McBryde	1	0	0	0	1	0	0	8		
Lihue	0	3	0	1	0	1	0	4	9

CLOSING EXERCISES AT THE KAUAI HIGH SCHOOL

The closing exercises of the Kauai High and Grammar School were held on Friday, June 25, and were enjoyed by a large gathering of parents and friends of the pupils. The program was planned especially for the boys and girls and was a departure from the usual scheme of speeches and recitations.

The day began with the salute to the flag and the singing of national songs. The principal then read a list of the best records made in scholarship, attendance, and school activities. The plans for the day were outlined for the benefit of the guests.

A musical program, under the direction of Miss Ommann, which included the singing of the High School songs, was received with hearty applause. Honorable W. H. Rice then entertained the assembly with a number of extremely interesting legends of the ancient Hawaiians. This proved to be one of the most pleasing features of the day and was thoroughly

appreciated by all. After Mr. Rice's talk, the students and their guests repaired to the playground for a carnival of sports. A game of basketball between two picked teams of girls furnished plenty of excitement and ended with a margin of but one point for the winners.

The short sprints was next on the program. These events were all close and exciting, and proved the new High School straightaway track to be fast. The jumping, shot putting and pole vaulting followed.

Among the most interesting events of the meet were the exhibition races between the Fernand brothers of St. Louis College, to establish records for the new track. In the 50 yd. dash the remarkable time of 8.25 seconds was made by Manuel Fernandez, who finished less than a foot ahead of his brother, Frank. In the 100 yd. dash Manuel again finished (Continued on page 5.)

LIHUE MAY HAVE RENT CAR GARAGE

Carpenters last week began the construction of a building next to the harness shop, back of THE GARDEN ISLAND office, which, when completed, will become the headquarters of a first-class tailor. The building will face toward the Garden Island lane.

Next to it, at the corner of the lane and the road leading up to the residence of Hon. W. H. Rice, there will be constructed a building to be used as a garage—where autos for the rent service will be kept. Yun Tim and other well-known public chauffeurs will quarter their machines there.

Plans are also in the making for cutting a new street from near the residence of J. M. Kaneakua and running through to a point near Sheriff W. H. Rice's boundary, along which a number of pretty cottages may be built for rent. There has of late been an increasing demand for cottages of this character.

The improvements as a whole will add much to the appearance of the locality and the convenience of the public.

Rices Entertain

Senator and Mrs. Chas. A. Rice entertained a party of friends Friday evening, the features being swimming, dinner and dancing. Among those present, with the host and hostess, were: Mr. and Mrs. R. P. James Spalding, Carstairs, W. D. McBryde, Cyril O. Smith and Harrison Rice.

MAKAWELIS SHUT OUT THE JAPANESE

The old saying that "the worm will turn" was exemplified again Sunday afternoon when the Makaweli baseball team put the near-champion Japanese to rout. The game was played at Makaweli, under favorable weather conditions and before a very large audience.

So signal was the victory that the Japanese not only failed to score, but got only two men as far as third base in the entire game. They simply could not hit Kruse, or when they did were fielded out.

In the third innings the Makawelis scored three of their six runs. These were the result of heavy batting and clever base stealing.

In the fifth innings the pitcher of the Japanese sustained an injury to his finger and their old pitcher went to the box. In that half three more runs were made by the home team, although they failed to score after that.

Kruse, pitcher for the Makawelis, struck out fifteen men, and allowed only three hits. Fassoth was behind the bat.

The score by innings was as follows:

	1	2	3	4	5	6	7	8	9	Total
Makaweli	0	3	0	0	3	0	0	0	0	6
J. A. C.	0	0	0	0	0	0	0	0	0	0

HISTORIANS TELL ABOUT OLD WAILUA

The Kauai Historical Society held its annual meeting in the Lihue Library Thursday afternoon, quite a large number of members being present.

Hon. W. H. Rice was re-elected president for the ensuing year, and Miss Elsie Wilcox was re-elected secretary and treasurer.

The literary feature of the evening was a paper read by Judge L. A. Dickey, dealing with the history of Wailua, this island. A letter from Miss Johnson, dealing with historical matters, was read; and several took part in the discussion.

This time the competitors will be divided into four groups—boys and girls and under and above ten years of age; and the contests will be by these divisions. The Lihue band will play.
